Answer Key & Model Answers

| **CH03-SA-001** | The king's favorite pet was a monkey. The king believed he was the most beautiful and intelligent monkey on the planet. |

| **CH03-SA-002** | In reality, the monkey was extremely foolish, quite contrary to what the king believed. |

| **CH03-SA-003** | The pet monkey was treated royally, moved freely across the palace, and was allowed into the king's private chambers. |

| **CH03-SA-004** | One afternoon, the king was sleeping peacefully in his personal room while the monkey kept watch. |

| **CH03-SA-005** | A fly entered the room and landed repeatedly on the king's chest while he was asleep. |

| **CH03-SA-006** | At first, the monkey waved his arms and flicked the fly away, but the fly kept coming back to land on the king. |

| **CH03-SA-007** | He got angry and excited because despite trying repeatedly, the fly refused to stay away from the king's chest. |

| **CH03-SA-008** | The monkey foolishly picked up a sharp sword to chase and strike the fly. |

| **CH03-SA-009** | The fly flew away unharmed, but the sword struck the king and severely wounded him. |

| **CH03-SA-010** | Beware of a foolish friend, for he can cause more harm than your enemy. |

| **CH03-SA-011** | 'Contrary' means opposite. *Sentence: Her opinion was contrary to what everyone expected.* |

| **CH03-SA-012** | 'Chambers' means a closed private room or apartment inside a palace. |

| **CH03-SA-013** | 'Flick' means to make something move with a sudden quick movement. *Sentence: He flicked the dust off his coat.* |

| **CH03-SA-014** | A foolish monkey lacks judgment and understanding of danger, so allowing him access to deadly weapons puts everyone's life at risk. |

| **CH03-SA-015** | *The fly flew away and the monkey got angry.* |

| **CH03-SA-016** | 'Oblivious' means the king was completely unaware and unmindful of the fly and monkey around him while he slept. |

| **CH03-SA-017** | No, the monkey did not intend to harm the king. He wanted to kill the annoying fly, but his foolish method caused severe harm. |

| **CH03-SA-018** | Panchatantra is an ancient collection of Indian animal fables that teach practical wisdom, morals, and smart living. |

| **CH03-SA-019** | (a) **Wise** / Intelligent

(b) **Mildly** / Slightly |

| **CH03-SA-020** | A wise enemy can be anticipated with caution, but a foolish friend makes unpredictable, disastrous mistakes out of ignorance. |

| **CH03-SA-021** | Servants felt envious because the monkey enjoyed royal luxury and entry into private chambers forbidden even to trusted servants. |

| **CH03-SA-022** | **foolish** and **small**. |

| **CH03-SA-023** | He should have continued waving his hands, used a cloth, or gently woken up the king instead of grabbing a dangerous weapon. |

| ****CH03-SA-024**** | Being 'slightly hurt' means minor scratches, whereas being 'severely wounded' means suffering deep, serious, and painful bodily injury. |

| ****CH03-SA-025**** | A king loved his foolish pet monkey and allowed him into his private room. While guarding the sleeping king, the monkey struck a fly with a sword, missing the fly and severely wounding the king. |

Model Answers & Rubrics

| ****CH03-LA-001**** | The king loved his pet monkey dearly, treating him royally and believing he was the smartest creature. He allowed the monkey total freedom, including access to private chambers forbidden to servants. One afternoon, while sleeping, he appointed the monkey to keep watch, setting the stage for the foolish monkey's disastrous decision. | Content: 3 Marks
Grammar/Expression: 2 Marks |

| ****CH03-LA-002**** | ****King's Belief****: Thought the monkey was most beautiful and highly intelligent.
****Reality****: The monkey was extremely foolish and lacked basic sense.
****Lesson****: Blind affection blinds people to glaring flaws. We must evaluate companions based on actual wisdom and character rather than flattery or fondness. | Analysis: 3 Marks
Moral lesson: 2 Marks |

| ****CH03-LA-003**** | 1. King falls asleep in his private room.
2. A fly enters and lands repeatedly on the king's chest.
3. Monkey flicked it away, but fly kept returning.
4. Monkey got angry and grabbed a sharp sword.
5. Monkey struck at the fly on the king's chest; fly escaped, king wounded severely. | 5 Chronological steps: 3 Marks
Language: 2 Marks |

| ****CH03-LA-004**** | An enemy's bad intent is known, so we stay guarded against them. A foolish friend, however, has good intentions but lacks intelligence. In trying to help (driving away a fly), the foolish monkey committed a dangerous act (using a sword) that caused severe bodily injury to the king. | Moral breakdown: 3 Marks
Text references: 2 Marks |

| ****CH03-LA-005**** | A wise human servant would have recognized that a fly is a minor disturbance. He would have used a hand fan, cloth, or gentle wave to drive the fly away. If persistent, he would close the window

shutters without ever bringing a weapon near a sleeping king. | Problem-solving logic: 3 Marks
Coherence: 2 Marks |

| ****CH03-LA-006**** | Good intentions are useless without wisdom and common sense. The monkey wanted to guard the king's sleep, but his lack of judgment led him to select a deadly weapon for a tiny insect, proving that foolishness destroys good intentions. | Critical evaluation: 3 Marks
Language: 2 Marks |

| ****CH03-LA-007**** | ****Good Friend****: Wise, calm, gives good advice, respects safety.
****Foolish Companion****: Impulsive, gets angry easily, makes rash decisions without thinking.
****Selection Advice****: Choose friends who think before acting and encourage constructive behavior. | 3
Traits: 3 Marks
Advice quality: 2 Marks |

| ****CH03-LA-008**** | Anger clouding the mind leads to rash actions. When the monkey got angry at the fly, he stopped thinking about the king's safety and focused solely on destroying the fly, picking up a deadly weapon impulsively. | Emotional analysis: 3 Marks
Clarity: 2 Marks |

| ****CH03-LA-009**** | *My foolishness has cost me dearly! I ignored the warnings of my ministers and gave my private trust to an untrained monkey. He meant to shoo a fly, but nearly killed me with my own sword. Love must be guided by wisdom, not blind fondness.* | Monologue tone: 2 Marks
Realization content: 3 Marks |

| ****CH03-LA-010**** | Panchatantra uses animals to mirror human traits. The foolish monkey represents humans who act impulsively without foresight, while the sleeping king represents leaders blinded by favoritism. | Animal symbolism: 3 Marks
Text examples: 2 Marks |

| ****CH03-LA-011**** | Weapons are deadly tools requiring strict discipline. Allowing foolish or untrained individuals near weapons leads to accidental injury or death, as proven when the monkey picked up a sharp sword. | Security rationale: 3 Marks
Structure: 2 Marks |

| ****CH03-LA-012**** | The fly is tiny, light, and highly agile, capable of dodging in milliseconds. The monkey swinging a heavy sword was slow and clumsy, making it impossible to hit the fly while risking damage to everything around. | Contrast analysis: 3 Marks
Grammar: 2 Marks |

| ****CH03-LA-013**** | ****Minister****: Your Majesty, a monkey is an animal of impulse. It is unsafe to allow him into your personal chambers.
****King****: Nonsense! He is the smartest monkey on Earth!
****Minister****: Good intentions without wisdom can prove fatal, Sire. Please be cautious. | Dialogue format: 2 Marks
Relevance: 3 Marks |

| ****CH03-LA-014**** | The king believed his monkey was smart, but the truth was ****contrary****. He allowed him inside his private ****chambers****. While sleeping ****oblivious****, the monkey struck a fly and left the king ****severely**** wounded. | 4 Vocabulary links: 3 Marks
Flow: 2 Marks |

| ****CH03-LA-015**** | The king bears greater responsibility. As ruler, he possessed human reason and authority. By blindly misjudging a foolish animal and granting him unrestricted access to weapons, he created the dangerous environment himself. | Judgment & Justification: 3 Marks
Expression: 2 Marks |

| ****CH03-LA-016**** | 1. Taking deep breaths when frustrated.

2. Pausing before reacting.

3. Seeking adult help.

Children can practice taking a time-out when irritated instead of throwing objects or reacting rashly. | Anger management: 3 Marks

Application: 2 Marks |

| ****CH03-LA-017**** | 1. ****Exposition****: King's fond belief in his pet monkey.

2. ****Rising Action****: King sleeps; fly repeatedly lands on king's chest.

3. ****Climax****: Monkey angrily strikes fly with sword.

4. ****Resolution****: Fly escapes, king wounded; moral delivered. | 4 Stages: 3 Marks

Accuracy: 2 Marks |

| ****CH03-LA-018**** | The fly symbolizes minor everyday annoyances. Responding to small problems with extreme, aggressive measures creates massive self-inflicted disasters. | Symbolism explanation: 3 Marks

Real-life connection: 2 Marks |

| ****CH03-LA-019**** | *As the monkey swung the massive sword with a loud grunt, the fly buzzed zip-zap out of the way! The sword crashed onto a expensive crystal vase on the royal table, shattering it into a thousand pieces while the fly buzzed merrily out the window.* | Creative story: 3 Marks

Humor/Flow: 2 Marks |

| ****CH03-LA-020**** | Flattery and blind fondness cause cognitive bias. The king overlooked the monkey's obvious lack of reasoning because he was entertained by him, showing that uncritical love leads to dangerous blind spots. | Evaluation: 3 Marks

Depth: 2 Marks |

| ****CH03-LA-021**** | 1. Never use heavy scissors or compasses to swat insects.

2. Keep sharp objects stored safely in desks.

3. Never wave sharp instruments when angry.

4. Ask teachers for help with minor pests.

5. Stay calm when small disturbances happen. | 5 Practical rules: 3 Marks

Relevance: 2 Marks |

| ****CH03-LA-022**** | The irony lies in the inverted outcome: the intended target (the fly) escaped without a scratch, whereas the beloved protected master (the king) suffered the full violent force of the blow. | Irony analysis: 3 Marks

Language: 2 Marks |

| ****CH03-LA-023**** | Private chambers contain state secrets, personal vulnerability, and royal weapons.

Restricting entry to trained, sworn guards ensures safety; breaking these rules invites security disasters. |

Security analysis: 3 Marks

Structure: 2 Marks |

| ****CH03-LA-024**** | *Buzzzz! I just wanted a nice rest on the warm king. Suddenly this hairy monkey started waving his arms! Then he got so mad he picked up a giant shiny piece of metal! I laughed, dodged away easily, and watched him chop his own king's bed! Silly monkey!* | Fly perspective: 3 Marks

Tone: 2 Marks |

| ****CH03-LA-025**** | ****"The King and the Foolish Monkey"*** is a classic Panchatantra fable highlighting the peril of blind favoritism. A king fondly believed his pet monkey was highly intelligent and allowed him access to his private chambers. One afternoon, while the king slept, a fly repeatedly landed on the king's chest.

Frustrated, the foolish monkey grabbed a sword and struck at the insect with all his power. The fly dodged unharmed, but the sword severely wounded the king. The story teaches that a foolish friend can cause more destruction than a wise enemy. | Complete summary: 3 Marks

Question: How does Extract 1's description of the king's blind love set up the disaster described in Extract 3?

Answer Key

| **CH03-EXT-001** | **(C)** | Extract 1 states the king had a pet monkey. |

| **CH03-EXT-002** | **(B)** | The king believed he was the most beautiful and intelligent monkey on the planet. |

| **CH03-EXT-003** | **(B)** | Contrary means opposite. |

| **CH03-EXT-004** | **(B)** | The monkey was allowed into the king's personal chambers. |

| **CH03-EXT-005** | **(B)** | 'Royally' modifies the verb treated (Adverb). |

| **CH03-EXT-006** | **(B)** | The king was sleeping peacefully while the monkey kept watch. |

| **CH03-EXT-007** | **(B)** | A fly came in and sat on the king's chest. |

| **CH03-EXT-008** | **(A)** | By flicking her away and waving his arms. |

| **CH03-EXT-009** | **(B)** | Oblivious means completely unaware or unmindful. |

| **CH03-EXT-010** | **(B)** | Past tense of fly is flew. |

| **CH03-EXT-011** | **(B)** | The monkey got very angry and excited. |

| **CH03-EXT-012** | **(B)** | He started chasing the fly with a sword. |

| **CH03-EXT-013** | **(B)** | The fly flew away unharmed. |

| **CH03-EXT-014** | **(B)** | The king was severely wounded. |

| **CH03-EXT-015** | **(B)** | Moral: 'Beware of a foolish friend. He can cause more harm than your enemy.' |

| **CH03-EXT-016** | **Model Answer**: Because he loved the monkey to bits and blindly believed he was highly intelligent and deserving of special royal treatment. |

| **CH03-EXT-017** | **Model Answer**: Insects like flies are naturally attracted to sweat, warmth, and quiet sleeping bodies, returning repeatedly when not physically blocked. |

| **CH03-EXT-018** | **Model Answer**: 'Oblivious' means the king was in a deep sleep, completely unaware of the fly buzzing around him or the monkey's dangerous actions. |

| **CH03-EXT-019** | **Model Answer**: A sword is a heavy, deadly weapon. Swinging it at a tiny agile fly sitting on a sleeping person's chest will inevitably miss the fly and slash the person underneath. |

| **CH03-EXT-020** | **Model Answer**: The monkey was a loyal friend trying to protect the king, but his foolish choice of weapon severely injured the king, proving that a foolish friend causes devastating harm. |

| **CH03-EXT-021** | **(B)** | 'Treated royally' indicates receiving special privileges. |

| **CH03-EXT-022** | **(B)** | His assigned role was keeping watch while the king slept. |

| **CH03-EXT-023** | **(B)** | Contrast: The fly escaped unharmed, whereas the king was severely wounded. |

| **CH03-EXT-024** | **(A)** | Antonym of forbidden is allowed. |

| **CH03-EXT-025** | **Model Answer**: Extract 1 shows the king granting dangerous, unrestrained freedom to an unthinking animal; Extract 3 shows the tragic result when that unthinking animal makes a deadly mistake. |
