Question 32

- Question ID: CH02-SA-032
- Type: SA
- Difficulty: Hard
- Marks: 2
- Topic: Character Analysis
- Question: In your own words, explain why the jackal was clever.

- Answer Key: The jackal was clever because he used his brain instead of his strength. He noticed that something was wrong (footprints), made a plan to test it (cave greeting), and escaped when he found out the truth.

Question 33

- Question ID: CH02-SA-033
- Type: SA
- Difficulty: Hard
- Marks: 2
- Topic: Comparison
- Question: Name four differences between the lion and the jackal in this story.

- Answer Key: 1. The lion used strength, the jackal used intelligence 2. The lion was hungry and desperate, the jackal was calm 3. The lion made a mistake, the jackal found the solution 4. The lion waited inside, the jackal stayed safe outside

Question 34

- Question ID: CH02-SA-034
- Type: SA
- Difficulty: Hard
- Marks: 2
- Topic: Moral Analysis
- Question: Why is the moral 'Presence of mind can save you from danger' appropriate for this story?

- Answer Key: It is appropriate because the jackal's quick thinking and calmness are what saved his life — he could have panicked and entered, but instead he thought of a clever way to discover the truth.
